

AAA Pools & Spas Opening Prices

All jobs are done on a first come first serve basis so please submit your contract ASAP

In-Ground Residential Pool Opening

Remove and fold pool cover leaving by poolside, reassemble ladder, handrail, all filtering equipment and light heater. Clean skimmers and wash down decking around pool. If pool has enough water start pool equipment, add liquid chlorine 1 gallon per 2500 gallons of water, fill chlorinator with homeowners chlorine, and add algaecide if needed for an additional charge. Depending on pools condition we may recommend drain and wash at time of opening. Also please keep in mind liner and fiberglass pools cannot be drained.
